

English 8b

Aufgabe für die Woche vom 04.05.-08.05.

Learning English at home can be really fun. There are so many ways to immerse (eintauchen) yourself in the language. These ideas will help you improve your English:

- watching films/series in English
- putting English subtitles on when you watch films/series
- listening to English music and trying to understand the lyrics
- reading English books/magazines/websites/...
- watching English language TV channels
- watching English language YouTube channels
- talking to English speaking friends/relatives
- following an English speaking celebrity on Twitter/Instagram/...
- playing online games and communicating in English
- and more...

Your task:

Choose one of the ideas above and have a go!

Write a few sentences about...

- ***what you listened to/read/watched and why you chose it.***
- ***what it is about.***
- ***how easy/difficult you found it.***
- ***Your goals for the future.***

Have fun!
